Drama- Improvisation 30 Seconds of Character

- 1: Choose a character from a book, movie or tv show that you know well.
- 2: Choose a mythical character. For example, unicorn, elf, leprechaun, dragon, hobbit, werewolf etc.
- 3: In the voice of your chosen character, talk for thirty seconds about your mythical creature. You may wish to make some dot points to help in case you get stuck for ideas before the thirty seconds is up. You can time yourself or ask a family member.

For example: (Spoken in an Arnold Schwarzenegger voice) Unicorns are my favourite creature. I actually think they are real because sometimes when I am riding my motorbike looking for other Terminators they run alongside me and chat. Unicorns should not be confused with the Pegasus because they don't have wings and are far friendlier.
