Create a poster for your wall about how fractions, decimals and percentages are connected.

Which ones do you know best?

Teach your bingo game to your family members and play a number of times, making changes to make the game more interesting.

Create your own bingo game based on fractions, decimals and percentages.

<b>B</b>	<b>I</b>	<b>N</b>	<b>G</b>	<b>O</b>

<https://www.mathsisfun.com/fractions-menu.html>

Draw a number line that has fractions, decimals and percentages from the bingo card in square 1.
